Packing Tips
Packing for camp is the start of your child's independent camp experience. Please have your child participate in packing for camp so that they know where to find their clothing and items.

Luggage
- All items should be packed into no more than two duffel bags or large suitcases.
- Please make sure all luggage has visible tags with camper’s name, address, and phone number clearly written.
Labels

- All camper's clothing and belongings MUST be clearly labeled with campers full name. Items not labelled are unlikely to be returned to your camper.
- Items like socks, towels, shirts, water bottles, and sleeping bags are the most commonly lost items at camp. Please be sure to label them if you would like them to be returned if found.
- Personalized Labels by Oliver’s Labels will be available for purchase in your CampInTouch account under Camper Packing Labels.

Climate

- AstroCamp is located at 5,500 ft elevation. It is important for campers to drink lots of water to get acclimated to the elevation.
- Daytime temperatures can range from 75-90 degrees.
- Nighttime temperatures can range from 40-50 degrees.

- AstroCamp does not accept responsibility for the loss, damage, or theft of personal belongings.

Dress Code

- We ask that our campers dress appropriately and comfortably for their various activities at camp.
- We do not allow campers to wear clothing with alcohol, tobacco, drug, religious, sexual or political printing.
- Please send your campers with shorts of an appropriate length. The length must extend below the camper’s thumb tips when the camper’s arms are extended at their sides.
